

SENATOR LINDSAY: Before we move to further speakers on the motion, the Chair would recognize Senator Bohlke.

SENATOR BOHLKE: Yes, Mr. Speaker and members, Senator Preister, I'm tempted to ask you if we have a printout and how it's going to affect my district. But as long as we're on the subject, Senator Wickersham and I had requested a printout of LB 1050 as it was amended, and that printout has arrived and will be distributed to you. There are also two other alternatives that Senator Wickersham agreed to have included on one sheet of paper, two other possible scenarios, and there will be an explanation of that. There's an explanation from the Department of Education. But I wanted you to know that the printouts will be distributed to you and there are extra copies in my office for those who may be interested.

SENATOR LINDSAY: Thank you, Senator Bohlke. Senator Maurstad, followed by Senators Hilgert, Chambers, and Will.

SENATOR MAURSTAD: Thank you, Mr. President. If Senator Preister would answer a question or two.

SENATOR LINDSAY: Senator Preister, would you respond?

SENATOR MAURSTAD: Senator, if there is in fact demonstrated unfair discrimination that exists in this particular arena, the Department of Insurance can step in, under current statute, and rectify that, can't they?

SENATOR PREISTER: The territories have already been established, Senator. The Department of Insurance is, at this point, asking for justification, so there is some leeway for them to take some action and hopefully some will be taken.

SENATOR MAURSTAD: Was that a yes?

SENATOR PREISTER: Yes.

SENATOR MAURSTAD: Thank you.

SENATOR PREISTER: It was a legislative yes.

SENATOR MAURSTAD: (Laughter.) Okay. If territorial rating is
